

Summary of Final Board Determination

Frank R. Hurley

Candidate, EC2013, Council District 35

Program participant: \$34,456 in public funds received

1. Failing to document an in-kind contribution \$100

Campaigns are required to document all financial transactions, including loans, in-kind contributions, and joint expenditures. See Admin. Code §§ 3-703(1)(d), (g), (11), (12), 3-715; Board Rules 1-09, 4-01(a), (c), (g), (k), 4-03.

The Campaign provided a \$125 invoice for posters from Pixel King. The invoice notes that a \$100 deposit had been previously paid and a \$25 balance remained outstanding, but neither the \$100 payment nor the \$25 balance appears in the Campaign's bank records.

The Board assessed a penalty of \$100 for this violation.

2. Converting campaign funds to a personal use \$1,000

Campaigns are prohibited from converting campaign funds to a personal use. *See* Admin. Code §§ 3-702(21)(b); Board Rules 1-03(a), 2-02.

The Campaign made an \$818.95 expenditure to Covington Who's Who, a professional development and networking service, seven days before the primary election. The expenditure was for a "Platinum" membership for Hurley, which includes benefits that did not clearly further his campaign and extend well beyond the duration of the 2013 elections.

The Board assessed a penalty of \$1,000 for this violation.
